

YELLOWKNIFE COMMUNITY FOUNDATION GRANT HANDBOOK

Elaine (Sweet) Whitford Scholarship Fund

March 12, 2011

Introduction

Founded in 1993, the Yellowknife Community Foundation (YCF) actively serves our community as a fund developer, fund manager and grant-maker. The YCF represents a pooling of many individual funds established by generous citizens, corporations and other organizations through donations, gifts of life insurance and bequests. These funds make up the permanent endowments of the Foundation, from which the interest income is disbursed as grants or scholarships.

YCF awards grants from the *Yellowknife Community Fund*, which has been established by donors who have designated their gifts as unrestricted or to a broad field of interest. These grants are primarily made in the areas of social services, health, arts, recreation, education and the environment. The Foundation's website contains additional information under the *Yellowknife Community Fund* tab at: www.yellowknifecommunityfoundation.ca.

The Foundation also awards grants from its named funds for the purposes designated by the fund originators. Applicants seeking an award from one of these funds should demonstrate the compatibility of their pursuit to the goal of the fund. Additional information on named funds is found on the YCF website at: www.yellowknifecommunityfoundation.ca/funds.
